Important Safety Note When downloading files from the internet, be cautious and keep your devices updated. This includes files downloaded from Anna's Archive and other external sites. **About File MD5s** A "file MD5" is a unique code that represents the file's content. We use these codes to identify files in our indexed shadow libraries. However, it's possible for a single file to appear in multiple libraries. **Learn More About This Book** For information about the datasets we've compiled, visit our Datasets page. For specific details about this book, check out its JSON file. **Book Description: Gender - Ideas, Interactions, Institutions** This book explores current questions of gender and how they relate to students today. It focuses on understanding gender as a deeply intersectional phenomenon. The authors use real-life examples from pop culture, history, psychology, biology, and everyday life to engage readers in the study of gender. **Book Features: Life with Gender** This innovative series presents strong sociological perspectives on topics of immediate social import and public relevance. The book includes contributions from leading scholars, discussion topics, and group activities that provide an accessible and affordable entry point for students. **Book Details** Title: Gender - Ideas, Interactions, Institutions (Second Edition) Author: Lisa Wade and Myra Marx Ferree Language: English ISBN: 2018039801/9780393667967/1234567890 Year: 2018 Pages: 512 File Size: 13.9 MB Total Downloads: 796 Total Views: 8,410 1.
